BILL NO. S-86-02-12

SPECIAL ORDINANCE NO. S- 24-86

AN ORDINANCE approving City Utilities Purchase Order #A-52555, by the City of Fort Wayne, Indiana, by and its Department of Purchasing and the Water Products Company, for the Water and Maintenance and Service Department.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That City Utilities Purchase Order #A-52555, between the City of Fort Wayne, by and through its City Utilities, and the Department of Purchasing and the Water Products Company, for the Water and Maintenance and Service Department, respectfully for:

> the purchase of fire hydrants for the Water Maintenance and Service Department, per the specifications in Reference #765;

involving a total cost of Twenty-Eight Thousand Eight Hundred Ninety-Five and 50/100 Dollars ($28,895.50), all as more particularly set forth in said Purchase Order and Reference #765, which are on file in the Office of the Department of Purchasing, and are by reference incorporated herein, made a part hereof, and are hereby in all things ratified, confirmed and approved.

SECTION 2. That this Ordinance shall be in full force and effect from and after its passage and any and all necessary approval by the Mayor.

Councilmember

APPROVED AS TO FORM

# MBE/WBE STATEMENT

FOR
CITY OF FORT WAYNE, INDIANA

BID NO. 765
BID DATE: 1/7/86

The City is committed to minority/women's business participation, and the Citizens' Advisory Committee is presently preparing an ordinance concerning minority and women's business participation for City contracts. This project is also governed by various affirmative action requirements including Presidential Executive Order Number 11246. To assist the City in meeting its stated goals and to further meet affirmative action requirements, the undersigned commits _____percent (____%), as a goal, of the undersigned's total bid to minority/women's business participation. In that regard, the following MBE and/or WBE firms have been contacted to work as subcontractors:

MBE - WBE

We at Undergound Pipe & Valve, Inc. are committed to goals for affirmative action, and currently on file with the City of Fort Wayne for same. We could not find any MBE - WBE in the immediate area who are in the waterworks wholesale supply or manufacturing business.

On December 30th, we called the office which handles MBE - WBE to ask if they had anyone on file. We were informed that they did not and advised us to state in a letter that there are not any MBE - WBE waterworks wholesalers or manufacturers in our immediate area. This letter is in compliance of that requested.

Yours very truly,

James P. Butler

One Main Street, Room 940
Fort Wayne, Indiana 46802

Reference: Bid No. 765, The City of Fort Wayne

Gentlemen:

This is to advise that the Waterous Pacer fire hydrant, Model WB-67 being bid in response to the bid package referenced above, meets the performance and constructional requirements of AWWA C502-85 Standard for Dry-Barrel Fire Hydrants. In particular, all bronze and brass parts which are in constant contact with the water, and all flow characteristics of the Model WB-67 hydrant meet or exceed the requirements of that Standard.

We have reviewed your Specifications for Fire Hydrants on page 10 of 17 of the bid package and note the following.

1. The main valve assembly of the Model WB-67 hydrant, including the drain valve assembly, can be removed out of the top of the hydrant barrel when the nozzle section is removed.

2. The hose and pumper nozzles are mechanically attached to the nozzle section. The nozzles have external lugs which mate with recesses in the nozzle section casting. The nozzles are inserted axially, rotated clockwise to a positive stop, withdrawn axially outward into anti-rotation recesses, and securely held in place by threaded retainers. O-ring seals are clamped by the retainer to provide sealing.

We submit these comments for your consideration per Item 7 of the General Conditions, Instructions to Bidders and Information for Bidders on page 2 of 17 of the bid package. Further details of hydrant construction are shown on drawing 81447, materials of construction are listed on H-272-5 and dimensional information is shown on plate 68-2-6-6, copies attached.

Sincerely,

WATEROUS COMPANY

Heinz E. Otte
Vice President and Chief Engineer
